Installation of Visible Body Apps

1. Connect your mobile device with CUHK Wi-Fi (Network = CUHK/CUHKa). Login details can be found at the [ITSC webpage](https); OR

2. Connect your mobile device with CUHK VPN. Details of VPN set up can be found at the [ITSC webpage](https).
3. Install the app. Make sure you have selected the ‘For Organizations Only’ version. Please refer to http://libguides.lib.cuhk.edu.hk/visiblebody/apps for update app versions.

4. Open the app and you can now use the app offline or off-campus for 150 days.
5. Click on ‘Learn more’ for details of accessible period.

6. When the app is opened some days later, it shows the remaining no. of days that you can access offline or off-campus.

7. Re-connect your mobile device with CUHK Wi-Fi or VPN. Your access right will then be extended to 150 days again.
